feels like island living
At only nine stories, Bijou is an intimate modern oasis quite unlike any other waterfront residence. Here on the eastern shores of the Bay Harbor Islands, sleek modern architecture, 105 feet of bay frontage, and a dazzling rooftop lounge are all yours to enjoy. Just a short walk away and you’re at the world-famous Bal Harbour shops or standing on the sands of Atlantic Beaches.

This is the paradise you’ve longed to discover, and one that is changing the meaning of South Florida luxury.
Between where the city stops and the shore begins, there is a high-fashion atmosphere with a distinctively low-key island vibe... Bijou Bay Harbor.

An exclusive enclave surrounded by Biscayne Bay, this island community of 41 residences invites you to discover a neighborhood that is one of the best-kept-secrets in Miami. This rare collection of one + den, two + den, and three-bedroom residences and penthouses are moments from the designer luxury of Bal Harbour and the cosmopolitan pursuits of Miami and Fort Lauderdale. And yet, Bijou is an exclusive connection to cosmopolitan city life made even better by a serene waterfront setting and a private island lifestyle.
Beautiful island sunrises come up over the nearby Atlantic horizon, filling your island home at Bijou with golden light. In the evening, colorful Biscayne Bay sunsets wrap the rooftop lounge area in color. All around, shades of blue sky and turquoise water complete the island paradise setting. Slip on your sandals and pay a visit to your neighbors – some of the most desirable names in town – Chanel, Ferragamo, Valentino, Fendi, The St. Regis, The Ritz-Carlton, The Four Seasons, and the other elite boutiques and eateries of Bal Harbour, the fashion capital of the east coast, and a part of the everyday elegance that is yours at Bijou.
