Santa Maria de Lobos Polo Club,  
Lobos, Argentina

*A natural paradise  
only 90 minutes away  
from Buenos Aires and  
45 minutes away from  
Ezeiza International  
Airport.*

This is a truly magnificent classically designed state-of-the-art polo property built 10 years ago in the Number 1 estancia for the polo playing enthusiast or for simply the countryside lover.

The property gives onto polo Field Number 1 of the renowned Santa Maria De Lobos Polo Club, an 875 acre professional polo ranch 1 hour and 15 minutes away from Buenos Aires. The club has a fully equipped international polo school and polo team with some top ranked players competing in the Argentine Open, a Club house, 5 official polo fields, practice fields, stables, inner streets for riding horses and a tennis court.

Surrounded by a protected wildlife nature reserve the Club directly fronts the 225 acre Lobos lagoon

\*Neighbours include Tommy Lee Jones, Agustin Merlos (world famous 10 goal handicap player) and is the home to the legendary Caset polo playing family.
